

ART & D.T. Writing Toolkit – YEAR 3 – Writing Prompts

Writing Prompts:

The Moving Monster – You create a monster with moving parts. What does it look like, and how does it work?

The Magical Paint Set – You discover a set of paints that create real-life objects. What do you paint first?

Design a Puppet Show – You make puppets and perform a show. What is the story about?

The Secret Sculpture Garden – You find a hidden garden full of strange sculptures. What do you see?

Invent a New Art Tool – You design a tool that helps artists in amazing ways. What does it do?

The Flying Machine – You build a machine that can fly and float. Where do you go?

The Cardboard Robot – You create a robot from recycled materials. What is its job?

Painting with Patterns – You paint a picture using only patterns. What patterns do you choose?

The Mystery Collage – You make a collage that tells a story. What story does it tell?

The Art Competition – You take part in an art competition. What is your entry, and how do you make it?
