BRITISH SCIENCE WEEK 2026

Monday 9th – Friday 13th March

British Science Week — Sorted.

With guaranteed profit – or your money back!

If British Science Week always seems to arrive *faster than expected*, you're not alone.

That's exactly why hundreds of schools use a **Science Gadget Shop** — a ready-to-run, science-focused fundraiser that supports learning **and** raises money.

WHY SCHOOLS CHOOSE A SCIENCE GADGET SHOP

It's genuinely science-focused

Children explore volcano kits, crystal growing, glow dinosaur digs, gold panning, practical experiments and more — curiosity-led, hands-on science they *love*.

You get a FREE adult lab coat

Every order includes a **FREE adult-sized lab coat** — perfect for Science Week assemblies, lessons and events. (Yes, it's yours to keep.)

Guaranteed profit — or your money back
Run it as a fundraiser and it pays for itself.
If you don't make a profit, we give you a refund.
Most schools raise from £100 to £600, risk-free.

WHY ORDER NOW?

British Science Week creeps up quickly.

Ordering now means:
